

For Sale: \$4,500

Pepper-14 year old Arabian/Welsh Gelding

14'2 flea-bitten gray English Jumper pony. Sadly outgrown. Shows 2'6 but has schooled 3 foot at home. He's a pretty mover, and has done very well in dressage and has excellent leg cues. I have not had the time to work with him very much over the last few months, but would be back to top condition if he was worked with for just a few weeks. He would be a great pony for a smaller rider who has some experience. He's extremely fun to just play around with and willing and eager to learn. Have had him for 5 years and extremely sad to see him go.
